Children's Bible Outreach (CBO) Program North America & Nigeria

At VMI, our unique program, CBO, continues to engage and inspire young hearts. In North America, we've had the pleasure of the class growing regularly. One method that helps to keep the children engaged is Kahoot! Games based off the Bible lesson. Parents also get to participate via anonymous surveys, where they can provide feedback and comments on the classes. In Nigeria, our class continues to grow, and we are looking forward to making more impact in 2025 and beyond.

Join us for this exciting and enriching experience that will surely leave a lasting impact on the next generation!

VMI, Inc. Nigeria Outreach Report for 2024

We give all glory and honor to God for enabling us to accomplish the third edition of the Viewpoint Ministries Nigeria Outreach Program in 2024. Our heartfelt thanks go to the President, Solomon Oluwabiyi, the Director in charge of the School Outreach Program Nigeria, Mrs. Tenille Gregory, the Board Members, and all the donors who made this mission possible. May God continue to bless each of you abundantly.

The outreach took place on June 5th and 6th, 2024, in three local government areas of Kwara State: Ifelodun, Isin, and Irepodun. A total of 1,736 customized books and 400 pens were transported by our volunteers, of which 1,536 books and 394 pens were distributed. The remaining materials included 200 customized books and 6 pens, which are now being distributed to the children who is attending the our Children Bible Outreach in Nigeria.

Schools visited included:

- Community LGEA School, Ajegunle/Owa, Ifelodun L.G.A
  - 120 books, 40 pens distributed to 40 pupils.
- ECWA LGEA School, Okedaba, Ifelodun L.G.A
  - 136 books, 34 pens distributed to 34 pupils.
- ECWA LGEA School, Olla, Isin L.G.A
  - 340 books, 85 pens distributed to 85 pupils.
- Community LGEA School, Oko Inishan, Irepodun L.G.A
  - 116 books, 29 pens distributed to 29 pupils.
- Community LGEA School, Eleyin Isanlu, Isin L.G.A
  - 144 books, 36 pens distributed to 36 pupils.
- Community LGEA School, Kajola Isanlu, Isin L.G.A
  - 16 books, 4 pens distributed to 4 pupils.
- All Saints LGEA School, Oke-Onigbin, Isin L.G.A
  - 664 books, 166 pens distributed to 166 pupils.

The volunteers shared educational materials, and each visit inspired gratitude from school staff and students. Many schools expressed their deep appreciation, highlighting the challenges of underfunding and a lack of educational resources. In particular, teachers shared their struggles with providing materials for their students, while parents affected by poverty often prioritize basic needs over school supplies. Despite these challenges, the outreach was met with overwhelming gratitude. Headmasters and headmistresses were thankful as the gifts of books and pens alleviated a significant burden for many schools.

Looking ahead, the outreach team recommends continued support for schools in Africa, as these efforts uplift students and ease the financial burdens on educators. Additionally, providing basic food items alongside educational materials would help address the issue of hunger, which many children face before coming to school. We sincerely thank our donors and volunteers for their invaluable support and prayers. May God bless Viewpoint Ministries and all those involved in this noble mission. Please support us to make more impact in 2025. You can visit info@viepointministriesinternational.org or make your donation at www.viewpointministriesinternational.org/donate
