NEWSLETTER Winter 2022

School Outreach Ministry (SOM)

Exciting things are happening at Viewpoint Ministries International. We are pleased to announce that our School Outreach Ministry (SOM) has completed its first successful outreach mission. We believe that all things are possible with God (Luke 1:37). With donations from our generous donors, the ministry and its volunteers organized the purchase of 1200 custom notebooks and ink pens which were distributed to 350 promising young students in Nigeria.

This outreach aligns with Viewpoint Ministries' mission to provide...

needed and necessary support within and outside the United States of America. Viewpoint Ministries is grateful to the donors and sponsors who made this outreach event possible.

We look forward to your continued support and donations to help make a positive impact within the communities. You can do this by visiting www.viewpointministriesinternational.org/donate

Donations are Tax Deductible to the extent permitted by law.

Touching lives - Volunteers Observations

Regarding the School Outreach Ministry's project, ***Ayobami Ifabiyi*** (Volunteer Coordinator, Nigeria Chapter) said, "we bless God for the outreach. We visited five schools in the rural area where we distributed writing materials. Findings show that many parents, grandparents/guardians could not afford to buy writing materials for their children. Other findings show that some parents could not afford to pay their children's school fees. These show the tough times people are going through. All the schools visited gladly welcomed us and prayed for the ministry."

According to ***Mary Gana*** "we blessed God for what He did through the ministry. I was pleased to see the pupils filled with joy and happiness in their hearts. The five schools we went to had their testimonies. The teachers were happy because the materials given would make teaching easy for them. Most parents need help to afford their children's writing materials or school fees. I appreciate the ministry for the provision of these materials."

Adebayo Oladipo said, "To God be the Glory for how far he has been helping us in this ministry. I am so glad to be part of the volunteers to carry out this assignment here in Nigeria. We reached out to five schools. I noticed that most of these pupils could not afford writing materials and school fees. The first move of this ministry in giving out the little we have has done a great help. Both the pupils and the staffs are delighted and grateful. Some have called to appreciate what the Lord used the ministry to accomplish."

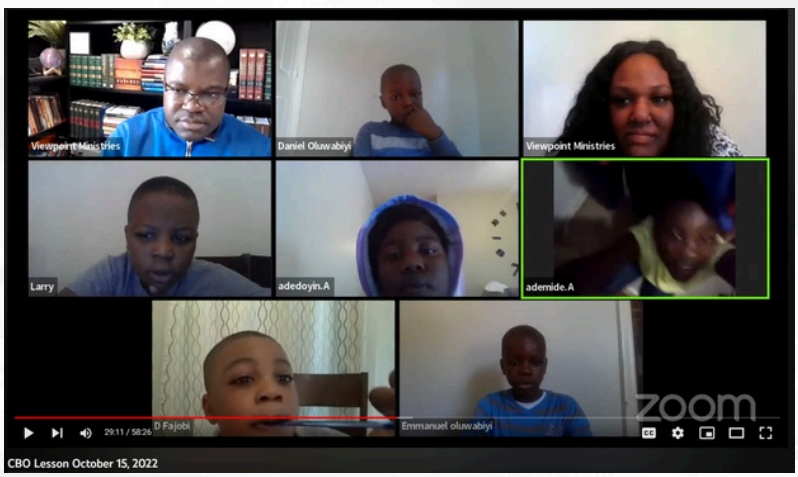

Let's Talk About Jesus (LTAJ)

Viewpoint Ministries International is an organization passionate about spreading the gospel of our Lord Jesus Christ. Regular bible centered programming and resources are available 24/7 and are easily accessible on our website and various social media platforms. "Let's Talk About Jesus" is a weekly live broadcast on Sundays at 5 pm Eastern Standard Time (EST). This program features Christian guest speakers and hosts that discuss issues & challenges of life along with solutions from the word of God (The Bible).

Children's Bible Outreach (CBO)

In August of 2022, Viewpoint Ministries International celebrated the launch of Children's Bible Outreach; It is a unique online experience where children are welcome to have fun and receive an age-appropriate message of God's plan for their lives. This class is offered monthly for children aged 7-15. CBO is a success story in the making! It's a free bible class, and you can enroll your children. See our website (under ministries tab) for the enrolment link.

Bible Tracts Ministry (BTM)

Viewpoint Ministries International uses Bible Tracts Ministry to introduce people to Jesus Christ. In July 2022, volunteers delivered about 1,000 tracts and 150 booklets to Nigeria. Team members in the mission field used the tracts to spread the message of God throughout the communities. Viewpoint Ministries has downloadable e-tracts available to read and share the gospel with people.
